To Be Completed By Customer: Please Initial the Following

*Disclaimer: Estimator will not be able to provide any pricing information and/or square footage at time of measure.

- _____ If you elect to remove existing flooring and/or household furniture, this must be completed **PRIOR** to Installer's arrival.
- _____ Any oversized furniture that cannot be moved from installation area when fully assembled must be disassembled by Customer **PRIOR** to Installer's arrival.
- _____ Additional charges will apply if Installer finds pet soiled areas, the job will be placed on hold and Lowe's will be notified of additional charges.
- _____ Moisture Readings are an additional \$35.00 to go out and retake, if not within product tolerance or not able/required to be taken at time of estimate (Lowe's Sales Associate to verify).
- _____ Floor Prep is estimated at one 25 Lbs. bag per 100 sqft (required for all hard surface installations), with Ceramic/Glue Down Wood removal requiring an additional 25 Lbs. bag per 50 sqft.
- _____ Minor scuffing of baseboards and walls may occur during installation.
- _____ Installation fees will be and additional charges may be based on total flooring recommended by the installer (based on the installer's assessment of unique characteristics of your project). The installer's recommendation will include waste and will exceed actual room square footage.
- _____ All estimates will be returned to the originating Lowe's store within 48 business hours (Monday – Friday: 8am – 3pm, excluding holidays).
- _____ Review completed estimates and diagrams thoroughly with your in-store Lowe's Flooring Sales Associate.

Please select location you would like installer to Cut and Prepare materials:

If home is a Condo/Apartment, does the owner have permission to use location selected?
